

For Immediate Release

Taxes got you Stressed?
Do you want to save time and money while doing your taxes?
***Turbo-Mom's Guide to Saving Money Without Wasting Time* shows you how.**

Yes, it's tax time again! But who wants to spend valuable free time trying to figure out taxes. Or spend your return paying someone else to do it for you.

Whether you are confused about "tax-speak" or whether you just need a break on your taxes, *Turbo-Mom's Guide to Saving Money Without Wasting Time* can help you. It gives you **well-researched** straightforward advice and guidance with the "big stuff" like **insurance, taxes, and investments** direct from the financial professionals guaranteed not to put you to sleep.

"Because even though there are no IRS coupons available to save on your taxes, there are ways to reduce them, legally. Knowing a tiny bit about how taxes work can save you a bunch of money –because no one knows your life better than you do."

Kristin Delfau, Enrolled Agent, a National Association of Tax Professionals member, a Fulbright Scholar, and owner of a tax and financial planning firm in Danbury, CT.

Kristin Delfau knows how to save both time and money simultaneously—which is not always an easy feat! She has researched, experimented, tried, failed and succeeded in saving money. All her findings are in her well written and easy to read book that keeps you interested and informed. It will even have you laughing...all the way to the bank.

Kristin Delfau is a mother, wife, and tax and financial professional. She is an Enrolled Agent, a National Association of Tax Professionals member, a Fulbright Scholar, and owner of a tax and financial planning firm in Danbury, CT. Kristin is an avid reader and researcher who continues to use her time and money saving ideas in her everyday life.

So before you tackle your taxes pick up the *Turbo-Mom's Guide*. You'll save both time and money.
